#### **Board Meetings change location**

The Board of Directors meeting is open to all Club members. During October, November and December the Board meeting will be held on the Greensboro College Campus in Room 226 of Proctor Hall West. Beginning in January 2007, the Board meeting will return to the Benjamin library.

The **best way to get to Proctor Hall** on the Greensboro College Campus is to travel east on Market Street from Mendenhall street and turn right onto College Street. There is visitor parking lot on the right. On foot continue south on College Street and take a right up brick steps. Following the walkway will take you to Proctor Hall. Enter and turn right at the central hallway. Room 226 is the first room on the right. All Club members are welcome!

**November 4** is a big day for the Club. The **Inter-club Regatta** with Oak Hollow Yacht Club begins with the competitors meeting at 10 am at Oak Hollow Lake. The Club needs as many racers out on the course as we can. We are defending the Inter-club Cup this year.

The Club's **Annual Meeting** will be at Bur-Mill Park. This is a covered dish dinner with the Club furnishing the beverages. It will be an opportunity to celebrate the defense of the Inter-Club cup, vote on a new slate of Club Board members and Officers, review and adopt the proposed budget and the 2007 calendar. The Lake Townsend Yacht Club Annual Meeting will start at 6 p.m. Take advantage of this great opportunity to get together with other Club members and talk sailing. Please RSVP to Paul Leslie at 336 644-7207 or [lesliep@gborocollege.edu](mailto:lesliep@gborocollege.edu).

## Racing Notes

Saturday Summer series ended early as the gathered racers and race committee chose to stay ashore.

After only one race in the Sunday Summer Series in September because of poor winds, sailors in the needed their best game with brisk winds and rain, The race committee was entertained by two match races: two Lightening (Ken Warren versus Alan Hawks) and two Flying Scots (Bob Moates versus John Hemphill). Winds were 8 to 13 miles per hours with light rain. All boats carried three crewmembers and everyone's help was needed to keep the boats sailing well.

Alan Hawks edged Ken Warren at the line in the first race and Ken Warren finished with a comfortable lead in the second race. John Hemphill took both races in the Flying Scot showdown.

Some new club members - Adam Zahand, Uhe Heine and Nancy Collins - were picked up as crew and reportedly had a great time!

## Call People. Go Sailing

In an effort to involve more sailors in the Club's Sailing Events and Racing Programs, this "Available to Crew" list is published in each newsletter. The people listed have taken our Learn to Sail class or have other previous sailing experience and are looking to get more time on the water. So, if you have a boat and would like to participate in the Summer or Frostbite Race Series, why don't you call one of these folks for your crew? Alternatively, if you need a cruising partner on your boat or would like to team with someone on one of the city sailboats for a day sail or a race, contact someone on this list. If you would like to add your name to the list, contact John Hemphill, Treasurer or Bill Grossie, Newsletter Committee (See the Help Lines box located in this newsletter).
