# **The Feather**

I want to offer up a great big THANK YOU to all the volunteers that came out for the April Work Day, and at

was the Piedmont Interclub Challenge with CSC. This year the event was hosted by CSC. LTYC had a strong

other times in between. Your time and efforts are greatly appreciated.

When I got to the lake on Saturday, Tom Bews was already half way done cleaning the signal boat. It practically sparkles!

While Jim Heffernan and I oriented Bob & Steven Bass, Jon Mitchell, Steve Morris and Michael Crouch to the finer points of SCAT boating, Starling and Hudson directed their crew of helpers, including Ken Butler, in continuing repairs to the Capris. Uwe and Nancy were helped by Ken Warren and David Young as they continued refitting the Pico rigs. Meanwhile Alex and Wendell hammered nails into the rubber fender pads that protect our hulls while at the docks. When the SCAT class was over, we brought both boats over to the cleaning area and Steven took over the task of cleaning them both. Well done all.

Through everyone's efforts our training fleet is ready for the classes that began April 29. We even have a training simulator. Since we recycled an old Aqua Finn sail for the simulator I have dubbed it the 'Terra Finn.'

The April race day was well attended with 5 open class boats and 11 Scots. Joleen and the Isotope fleet did an outstanding job on RC, taming the 50 degree (OK, 130 degree) wind shifts that happen on The Townsend. Sunday

the Terra Finn

showing of 10 boats to CSC's 17. Unfortunately we still have The Chicken. (A perpetual consolation prize for the event). Next year we host the event. Let's kick some transom and send that Chicken over to Jordan Lake!

The May race weekend is scheduled for May 11 & 12. The board voted to score Sunday's racing like we do the Frostbite series, meaning that the scores go with the skipper. So you can sail a different boat each Sunday, or each race. Just be sure to let the RC know which boat you are sailing.

Make plans now to join us for The Mayor's Cup, June 1 & 2. Registration is open via the website. We need volunteers for Food, RC, traffic control and probably some other stuff too. Talk to Uwe, our Regatta Chair if you can help out. Volunteers get a free

'shore pass' for the meals.

We need RC for both the May regatta and the Mayor's Cup. Please help us plan by signing up on the RC Scratch sheet and contacting our Vice Commodore, Steve Morris to let him know you are available to help out.

Glad Summer is almost here. I look forward to seeing y'all On The Townsend, Alan Taylor *LTYC Commodore* 

# New *Learn to Sail* DVD Debuts

We used the new Learn to sail DVD Steve Raper made in recent classes. It worked great using the DVD player Susan Cole brought and the picture was much clearer than the ragged old VHS tapes. Nice to be able to jump directly to a segment as well. Steve will make other copies shortly.

When I said I had no sailing experience, it was not true. My parents have been transferring slides to the computer and found this one of my brother, father and myself off Boothbay Harbor in Maine (guessing 1972-1973 time frame). Brought a smile to my face and even a chuckle.

# **Call People. Go Sailing**

In an effort to involve more sailors in the Club's Sailing Events and Racing Programs, this "Available to Crew" list is published in each newsletter. If you have a boat and would like to participate in the Summer or Frostbite Race Series, call one of these folks for your crew. Alternatively, if you need a cruising partner on your boat or would like to team with someone on one of the city sailboats for a day sail or a race, contact someone on this list. If you are interested in crewing and would like to add your name to the list, please let Joleen know. Joleen has the best intentions of calling each new member if she doesn't hear from them to encourage them to sign up on the Crew or Race Committee List. (See the Help Lines located in this newsletter).

## What's a Scratch Sheet?

A few years back, big regattas started posting scratch sheets on the internet to drum up interest and promote participation. As there is typically no cost to signing up, Scratch Sheets give a good indication of who is thinking about going to an event. It helps the organizers plan and prepare for the event. Last year, LTYC set up a Scratch Sheet in Google documents for its events. It was a good move. If you expect to be at some of our upcoming events, take a few moments to step through the different Scratch Sheets and let us know to expect you. Don' worry about last minute change of plans, Scratch Sheets are only an indication of your intentions. If you need crew, want to crew, would like to help with the social, or have some other creative idea, just list it in the Scratch Sheet. The Scratch Sheet is available from the home page or the LTYC Website.
