January 9, 2016 Frostbite Series By Jim Heffernan

The first racing of 2016 for ardent LTYC skippers and crews came off in spite of temps in the mid forties and initially light winds. The light winds kept the wind chill from discouraging the eight crews that hit the starting line promptly at 12:05. Winds at this time were 4.0 mph from the north-northeast. Thirty-two minutes later the first Flying Scot, piloted by Steve Jones, completed the WD course just ahead of Uwe Heine and Nancy Collins in their Scot. Jon Mitchell's Wayfarer DNF'd due to a very

young and cold crewmember as the chill factor increased when the wind filled in to 7.6 mph by the last leg.

The adept RC ran up the AP for a few minutes and then got the second sequence going by 12:40. Winds were now averaging 8 mph as another WD course was used. Alan Taylor and Stephanie DeLair in Windmill 4501 took advantage of a late shift as the prep flag came down and walked away quickly from the pin end and stayed well ahead for the whole 25 minute race.

With more wind available, RC put up the W2 course after moving the leeward mark more squarely to the northerly backing wind. At the start, Luke Hayes in Laser 200622 found the sweet spot along with Alan and Stephanie and they led the fleet through the shifty winds. Downwind, those with spinnakers seemed to have trouble keeping them filled as boats covered one another on the short course. Two of the finishes were one second apart and were exciting to watch from the signal boat.

Even though one crew (unnamed) on the mark boat was threatening to mutiny, all of the sailors stayed out for a quick W course in 7 mph winds. Once again, the Windmill led the way followed by Uwe and Nancy in a Flying Scot and AnnMarie Covington and Susan Cole sailing AnnMarie's Wayfarer, *Epiphany*.

At 2:20, RC arrived at the pier, happy to get in four exciting races on a day that did not have a favorable forecast. Warm vittles and desserts were waiting at the ranger station along with a toasty room to get the blood flowing again.

Remember how fun the Boat Show was? We need your help this year!

The 2016 Change of Watch and Awards Banquet

After two date changes, we finally got together on Feb. 6th for our fun and festive Change of Watch. It was a wonderful evening with good food, drink and camaraderie. There was a “roast” for Bill Byrd, the winner of the Kent Taylor Service Award which includes the coveted blue jacket. He took it in stride and told a few stories on himself as well.

Luke Hayes won the Sparky Award for his 2015 Top Junior Sailor of the Year. He was very poised as he accepted the award and talked a bit about his sailing experiences.

There were awards for racing as well as fleet maintenance and support, race committee support, most improved sailor, recognition awards and outstanding sailing instructors, and a member emeritus was added. There were fun awards that were well received, such as Tom and Aubry Bews who received the best Santa and Elf award, and Otto Afanador who received a bailer for the most spectacular capsized!

As with any good deed, volunteering for any position to help our club does not go unpunished! But we need more people to step up. Please consider volunteering some time in this new year. Thanks!

Trish

New Member Profile Stephanie De Lair

I joined LTYC this past January to fulfill my competitive spirit by getting as many starts on the water as possible and to build cross-town sailing friendships, as well as to work as a team to promote Triad sailing.

I am the commodore of the Oak Hollow Sailing Club and I own a Weta trimaran. I have been sailing for just two and a half years and love it. You have probably seen me on Lake Townsend with my pink spinnaker that says “Stephalicious.” I learned to sail at OHSC on sloop-rigged boats such as a Hunter 170 and a Harpoon 5.2.

I work as the USA Ambassador for Weta Marine. When I’m not sailing I’m pursuing my addiction to life and longing to venture into the unknown and experience the magic of travel.

My goal is to promote the sport of sailing, enhance education and most importantly ensure that everyone has fun! My emphasis will be on introducing women to sailing and promoting sailing as a family activity, both in racing and cruising.

Wayfarer for Sale

1961 Mark I Wooden Wayfarer, #276 *Epiphany*

A stable yet responsive 16' boat. Comfortable for cruising a lake or the Chesapeake, as well as great for racing. Made from a kit to class specifications by Wally Cavill in 1961. Both he and Mike Schonborn, the second owner, won many races with *Epiphany*. I am currently racing *Epiphany* at Lake Townsend and Jordan Lake.

Hunter green with double pinstripe. Hull and deck are in good shape, having been restored in 2012 and consistently maintained since then. Floor is flat and keeps feet dry. Even has water bottle holders. Rigged for spinnaker. Sails are made by McNamara. Main, jib and spinnaker sails are 3 years old, and in good shape. Centerboard, rudder, tiller, tiller extension, spinnaker pole, all hardware, and sheets and halyards are in excellent condition. Compass mounted behind thwart.

Trailer with 12 inch wheels is included. Has new wheel bearings, seals and bearing buddies. Boat cover is 3 years old, in excellent shape for mast up or down storage. *Epiphany* is ready to race or cruise!

\$5500 Contact AnnMarie Covington at 336-266-5919 or hobieone57 at yahoo.com.
