# 41st Mayor's Cup

## June 1 - 3, 2018

The 41st annual Mayor's Cup is less than a month away (June 1, 2 & 3)! The deadline to secure your reduced cost pre-registration is this Friday the 18th! Pre-registration greatly helps the club in planning (meals, shirts, etc.) More details about the event can be found on our website along with the NOR and SI's.

Skippers, please note that you may purchase additional meals or shirts for your crew when you sign-up. If not, please advise your crew that they will need to sign-up if they want to eat and/or get a shirt. If you are registering by mail, please note that checks and registration form must be received by the 18th to ensure your discount.

If you have a non-sailing family member or friend that would be willing to assist with the Regatta, we could use a few hands with shore support and/or food pickups. Please reply to David Duff if you can assist.

This year LTYC has registered the Mayor's Cup as a Clean Regatta. Clean Regattas is a certification system that enables sailors to protect their local waters with 25 Best Practices that make sustainability approachable and easy. This program is an effort by Sailors for the Sea, raising the bar for environmental sustainability and ocean health around the world. Among the practices we will be implementing:

- \* Members and guests should bring their own reusable water bottles and coffee cups (coffee and water provided on site)
- \* Eliminate straws
- \* Properly sort all trash and recyclables to minimize waste going to the landfill.

## The Wallflower Regatta

**Saturday, May 26**

**By Nancy Torkewitz**

From Dictionary.com

*Wallflower* [wawl-flou-er] *Noun.* A person who, because of shyness, unpopularity, or lack of a partner, remains at the side at a party or dance.

As we all know, our Lake Townsend Yacht Club has several club sailboats that are available for members to use. But sadly, these boats often are left behind, sitting in dry dock, wistfully sighing because they wish that they'd get a chance to go out on the water and play too. Let's invite them to a dance in their honor! We're planning a fun Social Sail for Saturday, May 26th that we've nick-named "The Wallflower Regatta," where our goal is get all of the club boats out on the water.

Interested? The Scratch Sheet is already set up with a list of the boats. Simply put your name next to the boat you'd like to invite out for this event. We'll set up one long course around the lake. You'll self-time your race by clocking your start time, which will be when you pass the jetty on your way out, and your finish time, which will be when you pass the jetty on your way in. Let's see what these Wallflowers are capable of doing, given a chance!

Our goal is to make sure no boat is left behind feeling unwanted. Below is a link to the scratch sheet where you'll also find a list of each club boat that is available. Hurry, it's first come, first to get the boat you'd really like to sail in the Wallflower Regatta. The boats will be so pleased that someone is inviting them out for a day on the water.

If you then have any ideas for how your boat could be improved (maybe replacing a fitting with something that works better? etc.) please make a note of it. Any attention you can give a club boat will be much appreciated, and costs associated with replacing parts will be reimbursed.
