## Dave Perry's Racing Rules Quiz

US SAILING has partnered with Dave Perry to provide our members with great membership discounts on educational sailing publications, including *Dave Perry's 100 Best Racing Rules Quizzes*.

### QUIZ:

In 18 knots of breeze, Laser X is about 10 seconds early for the start, so her helmsman leans back and drags his upper body in the water for 5 seconds, effectively slowing the boat and permitting a proper start. Having witnessed this, a competitor protests Laser X. You are on the protest committee; how do you decide this?

Answer: Boat T's protest is disallowed. Rules 44.1 and 44.2, Penalties at the Time of an Incident, permit a boat that has touched a mark to take a One-Turn Penalty by getting well clear of other boats as soon as possible and then promptly making one turn that includes a tack and a gybe. Boat Q properly complies with rule 44.2 and its therefore exonerated for touching the mark.

# The To-Do List

By Steve Raper

At home, it seems that we can never catch up on the household To-Do List. As soon as you check one off three other things are soon added. If you own a small sailboat though, which does not require as much maintenance, you may actually finish off 'the list' occasionally.

One item that's been on my list for some years is to do something about the foot board on my trailer. Problem is, most boards are only wide enough to

put one foot in front of the other so you're basically doing a hi-wire act when traversing it. And, at times you need to get from one end to the other quickly to take care of business. I've done it and seen others lose balance and try to find somewhere on the trailer to place the foot not on the board only to just miss it and get a scrape or bloody shin.

I finally added that second board to make the foot board wide enough to place both feet beside each other so there's no need to balance. It works great - no more hi-wire act! Now you can just walk back and forth.

## I Saw Three Ships

"I Saw Three Ships (Come Sailing In)" is a traditional and popular Christmas carol from England. A variant of its parent tune "Greensleeves", the earliest printed version of "I Saw Three Ships" is from the 17th century, possibly Derbyshire, and was also published by William B. Sandys in 1833.[1][2] The lyrics mention the ships sailing into Bethlehem, but the nearest body of water is the Dead Sea about 20 miles away. The reference to three ships is thought to originate in the three ships that bore the purported relics of the Biblical magi to Cologne Cathedral in the 12th century.[2]

*I saw three ships come sailing in  
On Christmas Day, on Christmas Day;  
I saw three ships come sailing in  
On Christmas Day in the morning.*

*And what was in those ships all three,  
On Christmas Day, on Christmas Day?  
And what was in those ships all three,  
On Christmas Day in the morning?*

*The Virgin Mary and Christ were there,  
On Christmas Day, on Christmas Day;  
The Virgin Mary and Christ were there,  
On Christmas Day in the morning.*

*Pray, wither sailed those ships all three,  
On Christmas Day, on Christmas Day;  
Pray, wither sailed those ships all three,  
On Christmas Day in the morning?*

*O they sailed into Bethlehem,  
On Christmas Day, on Christmas Day;*

*O they sailed into Bethlehem,  
On Christmas Day in the morning.*

*And all the bells on earth shall ring,  
On Christmas Day, on Christmas Day;  
And all the bells on earth shall ring,  
On Christmas Day in the morning.*

*And all the Angels in Heaven shall sing,  
On Christmas Day, on Christmas Day;  
And all the Angels in Heaven shall sing,  
On Christmas Day in the morning.*

*And all the souls on earth shall sing,  
On Christmas Day, on Christmas Day;  
And all the souls on earth shall sing,  
On Christmas Day in the morning.*

*Then let us all rejoice again,  
On Christmas Day, on Christmas Day;  
Then let us all rejoice again,  
On Christmas Day in the morning.*

## What's a Scratch Sheet?

A few years back, big regattas started posting scratch sheets on the internet to drum up interest and promote participation. As there is typically no cost to signing up, Scratch Sheets give a good indicate of who is thinking about going to an event. It helps the organizers plan and prepare for the event. Last year, LTYC set up a Scratch Sheet in Google documents for its events. It was a good move. If you expect to be at some of our upcoming events, take a few moments to step through the different Scratch Sheets and let us know to expect you. Don't worry about last minute change of plans, Scratch Sheets are only an indication of your intentions. If you need crew, want to crew, would like to help with the social, or have some other creative idea, just list it in the Scratch Sheet. The Scratch sheet is available from the home page or the LTYC Website.

# Call People. Go Sailing

\*\*\*\* REACH OUT AND CALL SOMEONE \*\*\*\*

In an effort to involve more sailors in the Club's Sailing Events and Racing Programs, this "Available to Crew" list is published in each newsletter. If you have a boat and would like to participate in the Summer or Frostbite Race Series, call one of these folks for your crew. Alternatively, if you need a cruising partner on your boat or would like to team with someone on one of the city sailboats for a day sail or a race, contact someone on this list. If you are interested in crewing and would like to add your name to the list, please let Joleen, Newsletter Editor, know. Joleen has the best intentions of calling each new member if she doesn't hear from them to encourage them to sign up on the Crew List. (See the Help Lines box located in this newsletter).

## Sailboats for Sail

**1981 Isotope \$\$Price Drop\$\$** - \$2000 with sails and galvanized trailer. Many parts replaced; enhancements made. Good boat for a beginning racer or someone looking to get back into racing a cat. She won the 2005 Governor's Cup and continues to give challenge to the fleet leaders. We have owned this boat since 1998. She's gotten us hooked on Isotopes, so much so that we have upgraded to a 2006 model. Call or email Joleen (see Help Lines) if interested.

**Buccaneer 18'** for sale due to relocation. Craig Huey 303 884 4682 *chueygm@yahoo.com* Asking price is \$1325 with trailer, paddle, 2 hp Johnson outboard, and manuals, rigging guides.

**1996 Isotope** - \$3000 with trailer & boat box. Call or email David Duff *david.duff@analog.com*, 336-908-9754
