COMMODORE'S CONGRATULATIONS:

The Warm-Up Races and the BEGINNING of LAKE TOWNSEND YACHT CLUB'S ACTIVITIES are Now History! The weekend was unbelievably successful and those involved deserve congratulations. Thanks to Dick Schultz for conducting the finest racing seminar I've attended and congratulations to him for winning the FIRST RACE at L.T.Y.C. - proof that he knows of what he speaks!

Special thanks go to Carol Meetze for her newsletter and the arrangements for activities including the excellent social at the Clubhouse on Saturday night.

The Race Committee was super! The shapes and marks were easy to see - the races were well run and for those of you who've helped on race committees, you know the work the people put into getting the races started! Thanks too, to Dave Morefield for being on the patrol boat and making things go smoothly at the marina. Mel Holjes did a neat job as Dock Master!

Congratulations to the Novice Racers who had the courage to be there! Keep at it and someday, you'll win a race and, in the meantime, you'll become better skippers!

Congratulations to Chip Bolyard and Marsha Myatt, who were the first official capsizers at L.T.Y.C.!

Several people told me they didn't like the starting time on Sunday because it got them home too late. Let me know how you feel about this and if you want the Sunday starting time changed, we'll do it. We're working on camping facilities for you "away" people - bear with us!

Your Commodore couldn't be more pleased with the beginnings of L.T.Y.C. The board is incredibly committed to a good program and have the skill to give you an excellent program. Allison Pentz is planning a very exciting junior and educational program.

The club membership is now 52 - which shows the interest of area sailors in a good program! LET'S KEEP IT MOVING!
