Annual Members Meeting!

You are invited to the LTYC Annual Meeting! This year it will be a Pot Luck Dinner, so we are asking that you and your family bring two of your favorite dishes to share with the group. The dish can either be a Meat, Vegetable dish or Dessert. One note, you will have to purchase your beverage of choice. The beverages will include, soda, beer, wine, etc...

We will be sailing at Oak Hollow for the Interclub Regatta on Saturday. We will have enough time to

freshen up and bring our dishes to the Annual Meeting.

As a reminder:

Where: **Bryan Park Golf Clubhouse Grill
at Bryan Park (Lake Townsend)**

When: **Saturday, November 2**
Social - 6:30 pm
Dinner - 7:00pm
Meeting - immediately following
dinner

Who: **All LTYC members and their families**

What: **2002 ANNUAL MEETING**
POT LUCK DINNER

We look forward to seeing everyone there. If you have any questions please feel free to give me a call at 540-0885 or respond to this email.

Thanks and can't wait to see everyone there.

History Booklets, License Plates & Burgee Pins

The club's 25th Anniversary activities have come to an end, and were enjoyed by the membership.

For the moonlight sail on September 21st, we had 10 sailboats and the club's pontoon boat in the water, with approximately 40 to 45 people enjoying the full moon and a gentle sail. Let's do it again soon.

On September 28th, there were 47 current and past members participating in the banquet at Greensboro Country Club, where we all reminisced in past events of the club, with one of the founding members, Jim Maddrey, traveling from Florida to be present. Several souvenir items were distributed, which included coffee mugs, LTYC license plates and Silver Anniversary History booklets of Lake Townsend Yacht Club.

There are 7 extra Silver Anniversary History booklets for sale at \$10 per copy. The 61 page booklet includes three color pages of the Mayor's Cup Regatta shirts. Once these are sold, there will be no more!

The club has license plates for \$7 each. These are quality license plates that are metal, stamped, and silk-screened. Promote your club by displaying a Lake Townsend Yacht Club plate on the front of your vehicle, and from the right, rear side of your boat trailer.

Also, there are enameled burgee pins available at \$5 each or \$8 for two pins.

These items will be available at social events.

The 25th anniversary banquet was a great success; I was able to see some old friends that have for one reason or another, been unable to be active in the club. I also met some members from long ago whom I have never known. These were the ones who were instrumental in establishing this club for us to enjoy years down the road. Let us who are active now be the ones who will keep it active for future generations. It was real interesting to see some old video footage and see some young sailors at the time who are still active in the club today. Starling Gunn, you still look good today, but not as good as you did back then. I also got to know, a delightful couple, Kathryn Williams, and Ray Barker a little better, and found out they have three children close to the ages of mine. Lets get that Junior Sailing division going!

The goodies were very well done, and so was the food. I look forward to the next 50th year reunion and hopefully sooner...30 maybe?

Cruising News!

Hello everyone! We had a great cruise in September! George Bageant and David Thier joined up with Kathy, Fox and myself at the Carolina Beach State Park. I have to confess that I made a wrong turn going to West Marine in Wilmington and was late arriving for the start of our cruise! George and David were good sports and after giving me a hard time about my tardiness we all set sails to Southport! We enjoyed a brisk ride downtown on the bikes after dinner and sat and relaxed, content to swing and watch the boats as the sun set over the water. We got up Saturday to a very troubled sky, the winds were high and the forecast looked rather bleak but the clouds broke around lunch and we were able to have a short sail before the bottom fell out! Kathy got some hands on experience steering the boat during a downpour while I took the sails down! We arrived back at the marina soaked but still up for a great meal at one of the town's best seafood establishments! Even the rain couldn't prevent a great time of fellowship and fun with friends!

October Racing Notes from Bill Grossie

It was another great weekend of sail racing with the usual variable winds and super head to head racing. Course setting was a challenge as the wind oscillated up to ninety degree. Ken Warren, Sonja Hughes, Jere Woltz, John Goodman, Ralph Nuckols and David Young assisted PRO Bill Grossie.

Saturday David Raper pressed his daughter Carrie into service as crew and then dueled with fellow Day Sailors David and Allison Childress. They traded wins in this mini-match race.

Nick Granucci in a Capri and John Fragakis sailing a Sunfish headed up the White Fleet races with Nick collecting two wins on Saturday and splitting wins with John on Sunday. On Saturday Nick beat the fastest sailors in the Green Fleet.

Most of the Phil Leonard family participated in the races on Saturday. David Leonard crewed for Joleen Rasmussen on her Isotope and even took a turn on the helm. Hannah and Meredith joined their dad on his Hobie 16.

Eric Rasmussen sewed up the Isotope Fleet championship for both Saturday and Sunday with Gene Moore in close pursuit.

Robert Bouknight took the wraps of his slick E-Scow and ran away with both Green Fleet races on Sunday.

Calling all Hands!!!

We need all members who have a boat or who can crew for another boat to be present at the upcoming regatta with the Oak Hollow Yacht Club.

In recent years this has turned out to be a rather competitive series. We need YOUR help in retaining the rights to display the Interclub trophy at the Lake Townsend Marina. This has also been a very fun regatta, and a chance for us who don't get out much, except to Lake Townsend, to see another lake. Skippers' meeting is at **10:30 am** and is located at the opposite shore from the marina off of Skeet Club road. Call me if you need directions, and I look forward to seeing you on the water!

Call People. Go Sailing

In an effort to involve more sailors in the Club's Racing Program, we're going to start publishing this "Available to Crew" list in each newsletter. The people listed have taken our Learn to Sail class or have other previous sailing experience and are all looking to get more time on the water. So, if you have a boat and would like to participate in the Summer Race Series (starting this month) why don't you call one of these folks for your crew? If you'd like to add your name to the list, contact David Young at 545-1655 or sandyleo@aol.com.
