Schedule of LTYC Events

EVENT	DATE	TIME	LOCATION
B.O.D. Meeting	Oct 2	1745 hrs	Benjamin Parkway Library
Cruises:			
Cruise	Oct 11	Contact Hugh	Smith Mountain Lake, VA Contact: Hugh McLawhorn, Cruise Director
Races:			
Summer Saturday Series	Oct 4	10:30 a.m.	Lake Townsend Marina Social follows race - see below
Summer Sunday Series	Oct 5	10:00 a.m.	Lake Townsend Marina
SPOOK Race	Oct 25	Check-in 11:30a.m.	Stir up the brew at Lake Townsend
Day/Evening Sails:			
Homeport Day Sail	Oct 18	At your leisure	Lake Townsend Marina
Socials:			
Summer Saturday Series Race Social (Beverages & Snacks)	Oct 4	Follows the race	Lake Townsend Marina, Shelter #10
SPOOK Race Social & Homemade Chili Dinner	Oct 25	Follows the SPOOK race	See article in this newsletter for important details. Yum - Yum!

CRUISING!

By Hugh McLawhorn, Cruising Committee Chair

August:

Hello LTYC members! What a terrific time we had in Southport! The sun was bright with no rain in sight when we put in at the Carolina Beach State Park. It took us about 45 minutes to rig the boat and ready it for the sail to Southport, and what a terrific sail it was. The weather could not have been more cooperative! We came into the marina at Southport around 4pm and checked in with the Dockmaster. We fixed dinner on board Friday and turned in early in order to get an early start Saturday morning. We sailed to Bald Head Island arriving there a little before lunch. We rented a golf cart, and Kathy took me on an exploration of Bald Head Island. The island is beautiful. We took time to spend some time out on the beach where we found some of the most beautiful shells, and Kathy found a shark's tooth! We continued our exploration and found another beautiful area on the NC coast. Our sail back was great. We had the wind at our back and a beautiful straight shot back to Southport. We had dinner at Fishtails at the marina, and as usual the food was superb. The next few days Kathy and I spent exploring the coast, and on our last day, we sailed the Intercoastal waterway up past Holden Beach before turning around and heading back to

Carolina Beach State Park to end our adventure.

SUMMER CRUISIN'

By Steve Raper

Hampton, Va.:

This summer I enjoyed two very different types of cruising. One was to Hampton, Virginia which is a very busy bay area with commercial and naval shipping and shipbuilding. There is so much going on here you couldn't see it all in a week or more. There are many places to stay and even more restaurants. I also enjoyed the company of fellow sailors and good friends Hugh and Kathy McLawhorn.

Kerr Lake, Clarksville, Va.:

The other trip was to Kerr Lake at Clarksville, Virginia and it was just Baby (Flying Scot 4051) and me. Except for the very small town of Clarksville, there is nothing else close by, and this part of the lake looks more like a river. The area is very popular for fishing. There are basically two places to stay and about 6 restaurants (including Wendy's and Burger King) to choose from.

These very diverse trips were equally enjoyable but in different ways. I think that diversity is one of the things we love about sailing. Different places, winds, companions, environments and new challenges keep it all fresh for us.

I posted some photos with comments about the trips on our website at www.greensboro.com/ltyc or go straight to them with www.greensboro.com/ltyc/Cruises/Hampton03/index.htm or www.greensboro.com/ltyc/Cruises/Clarksville03/index.htm. To see the comments click on the first photo and click next to go to the next photo.

See below for GPS WayPoints from Steve.

GPS WAYPOINTS

HAILING ALL GPS RECEIVER USERS: LTYC members are invited to share good waypoints and relevant information about the area being featured. Be sure to include tips and personal experiences that would be helpful or interesting to others. Also feel free to share information that you read, see, or hear elsewhere concerning GPS, including tips from other sailors. Be sure to tell us exactly where or from whom you received the information, so that we can confirm the source and accuracy, and give them proper credit.

Contact either the newsletter editor, P. Reynolds (see Help Lines box) or Steve Raper (see LTYC Directory for his phone number or email him through the LTYC Web site mentioned in the previous article).

Kerr Lake, Oconeechee State Park, Clarksville, Va.

GPS Co-ordinates to the Blue Water Marina

Latitude: 37 deg 01'

Longitude: 76 deg 20.6'

NOAA chart for Hampton Roads: #12245

(According to Steve, the NOAA charts are numbered to identify the area that the chart covers. NOAA also has chart catalogs that give a geographic representation of the area covered by each chart and the scale.)

Steve: Tour of the whole Hampton Roads bay from the James River Bridge out to the Chesapeake Bay and down into the Elizabeth River to Norfolk - according to my GPS, Hugh and I traveled 43 miles.

SPOOK Race

25 October 2003

On Saturday, October 25th, the club will have its first SPOOK Race, a one-day pursuit race on Lake Townsend. SPOOK is an acronym for Swift Pursuit Of One-design Kraft, and is a bloody good social event to prepare for Halloween.

Pursuit races are designed to be a carefree, entertaining, stress free way to participate in a race, even if you have never raced before, with your friends and family aboard. The race differs from a standard handicap race in that the race is run for an exact length of time, with the slowest boat starting first followed at intervals by progressively faster boats. The handicap allowance takes place at the start of the race instead of the end of the race. If all boats sail equally well to their handicap, they should all finish at exactly the same time! The first boat across the finish line is the winner.

At Lake Townsend we have two courses which can be sailed, depending upon the sailing conditions. The course lengths are five and nine miles. Once the race is started, it cannot be shortened nor changed.

If you have a boat with an old, suspect, highly suspect or current handicap, you are asked to participate. The only rules one needs to know are basic seamanship rules such as starboard tack has right of way over port tack, and how to tell time. This is carefree racing for everyone, regardless of whether you have raced a boat. This event is just as much fun for the day sailor or cruiser as for the avid racer.

Following the race, we will have a social and dinner at shelter #10. Dinner will be homemade chili, slaw, cornbread, dessert, and beverages of your choice.

To register, email Esther Khoury at estherkhoury@hotmail.com no later than Wednesday, October 22nd. Give her your name, the class of boat you will sail, and the number of people for dinner. Those registering after October 22nd may race, but will not be able to have dinner. Registration fee is \$5 per boat, and dinner is \$6 each per man, woman, child and spook. Payment is to be made at check-in on Saturday, October 25th between 11:30 am - 12 noon at shelter #10. The competitors' meeting is at 12 noon. The race starts at 1:00 pm.

This is a howling good event for the entire family as well as guests to prepare for ghosts, goblins, and things that go bump in the night.

INVITE NEW MEMBERS TO CREW

From John Hemphill, Membership Committee Chair

Hey racers, with the summer series winding down, few of us will be racing for points the first weekend in October. Consider inviting a new member who took the sailing classes to crew with you this month. If you're willing to do this, but don't know any of those students, let me know, and I'll hook you up with someone. We've had quite a few students join the club and this would be a good way to get them involved in club activities and excited about sailing. If you are willing to take on new crew during October - either the Summer Series or the Pursuit Race - e-mail me at hemphillj@gborocollege.edu

NEW MEMBERS: LET'S GO RACING

From John Hemphill, Membership Committee Chair

If you are a new member and would like to crew with a more experienced sailor in our October races, let me know, and I'll try to hook you up with someone.

Contact me at hemphillj@gborocollege.edu

"A heart in love with beauty never grows old."
Turkish proverb.

WELCOME NEW MEMBERS

These LTYC members have joined since the membership directory was printed earlier this year. Please contact the newsletter editor (Pam Reynolds) or John Hemphill (Membership Chair), or Esther Khoury (Treasurer) if you notice any errors or omissions.

Call People. Go Sailing

In an effort to involve more sailors in the Club's Racing Program, we're going to start publishing this "Available to Crew" list in each newsletter. The people listed have taken our Learn to Sail class or have other previous sailing experience and are all looking to get more time on the water. So, if you have a boat and would like to participate in the Summer Race Series (starting this month) why don't you call one of these folks for your crew? If you'd like to add your name to the list, contact David Young at 545-1655 or sandyleo@aol.com.
