The Feather

Ahhh! Summer weather at last! T-Shirts weather (Shorts, T-Shirt, Flip-Flops).

Even though attendance at our May Regatta was light, those that sailed had good wind and good competition. 3 Isotopes, 6 Open Class and 4 Flying Scots rounded the bouys set by Bob Hoffman, Ken Warren, Steve Jones, and Ken Butler on RC with Steven Bass, Jeanne Allamby and Mark Hayes in the Scat boats.

Sailing classes are underway at Lake Townsend. Both Junior classes and Adult classes have begun. Check the website for schedules and more information. Who do you know that might like to **Learn To Sail**? There are still some openings. Invite your friends, co-workers, and in-laws to share your favorite pastime.

Speaking of Sailing Classes, we now have 3 more US Sailing Certified Instructors! Over Memorial Day Weekend Susan Cole, Jim Irvin, and yours truly went to Lake Norman for 4 days of intense training and testing. See Jim's article for the full story.

The Mayor's Cup was a huge success. There were 30 boats, including a FLEET of 5 WAYFARERS! The Flying Scots took the Mayor's cup with Charlie Buckner from CSC finishing first overall. The Bryan Cup went to Pete Thorn sailing a Tanzer 16 in the Open Class. Jerry Thomson from CSC was our guest PRO. He did a

stellar job of setting courses and all the other things that a PRO has to do. Special thanks to the excellent work of the volunteers who staffed the RC, Wanda and her crew "in the Galley", Kathy Sisk for the photos (see link soon to be on the website), David Schultz from the US Power Squadron for driving the Photo Boat, and Uwe and Nancy for pulling it all together. I know there were others who volunteered. Thank you. I've heard several comments that The Mayor's Cup was one of the best regattas around. We couldn't have done it without your help.

Our annual **Let's Go Sailing** event is scheduled for **JUNE 22**. This is a community outreach event where we take the public out for a sail. **We need boats. We need skippers. We need folks to staff the information booths**

and keep track of who went sailing and who is signed up to go out next. **WE NEED YOU!** Please sign up on the scratch sheet TODAY and come out to the lake on Saturday June 22.

Remember that June 15/16 is the Governor's Cup regatta at Kerr Lake, Henderson Point. This is always a good regatta. Let's support our friends at CSC make a strong showing of LTYC boats.

I look forward to seeing y'all On The Townsend, Alan Taylor, *LTYC Commodore*

Call People. Go Sailing

In an effort to involve more sailors in the Club's Sailing Events and Racing Programs, this "Available to Crew" list is published in each newsletter. If you have a boat and would like to participate in the Summer or Frostbite Race Series, call one of these folks for your crew. Alternatively, if you need a cruising partner on your boat or would like to team with someone on one of the city sailboats for a day sail or a race, contact someone on this list. If you are interested in crewing and would like to add your name to the list, please let Joleen know. Joleen has the best intentions of calling each new member if she doesn't hear from them to encourage them to sign up on the Crew or Race Committee List. (See the Help Lines located in this newsletter).

"Just How Deep Do You Think It Is Right Here?"

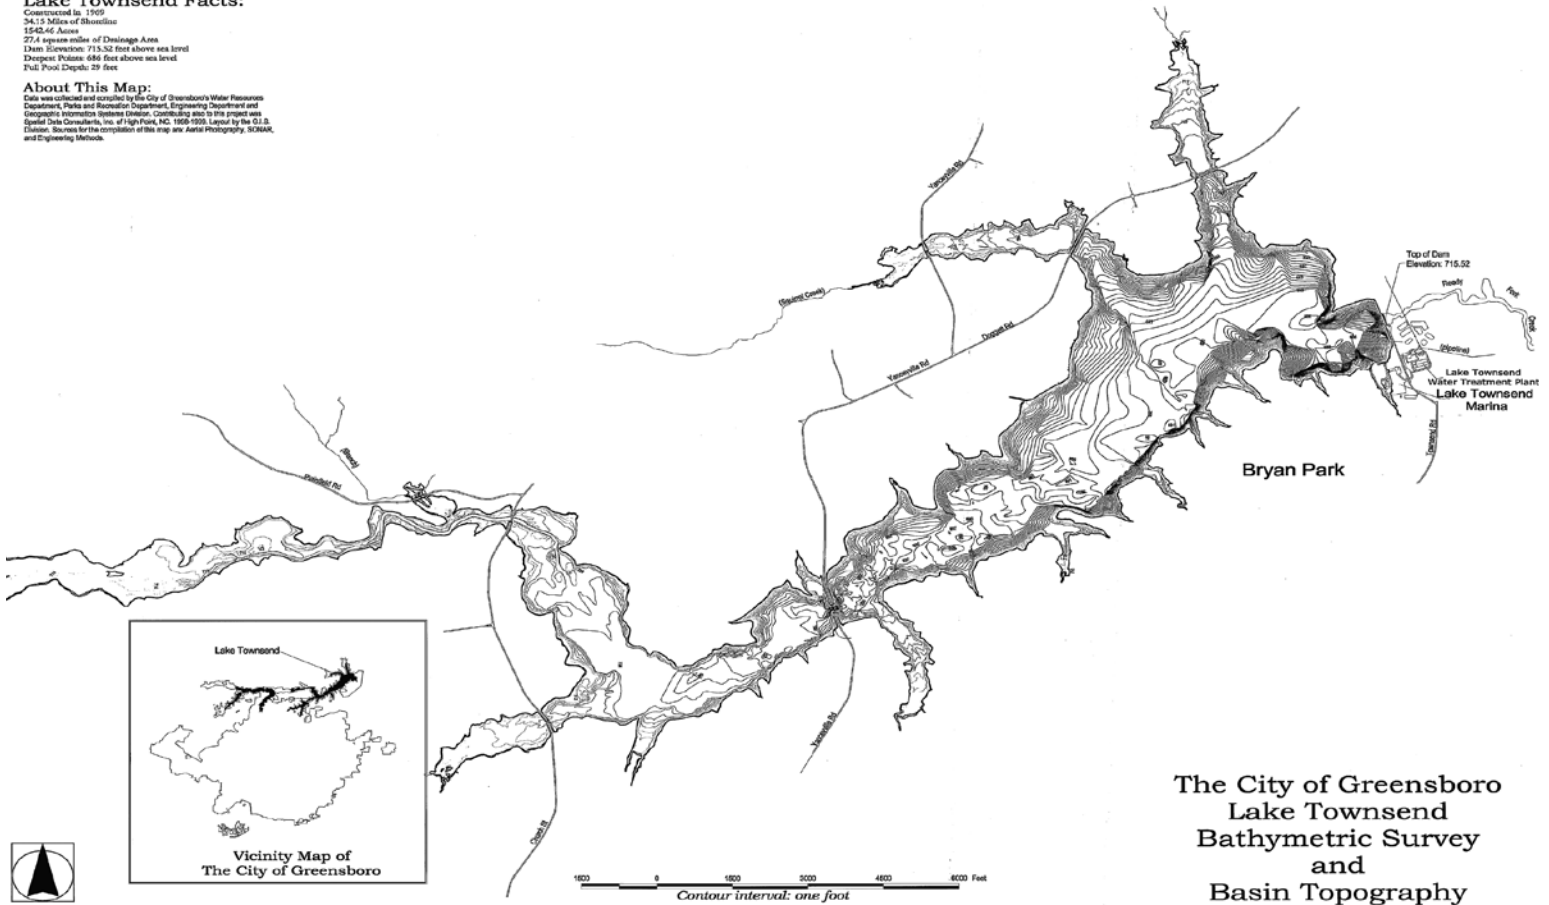

We've all wondered. So I found a topographical map online. The deepest spot in the lake is (or was) 29 feet. There's not a lot of detail here, and unfortunately, the depths are actually elevation above sea level, but, if you're curious, the original document is available at <http://www.greensboro-nc.gov/modules/showdocument.aspx?documentid=11472>

Lake Townsend Facts:

Constructed in 1959
34.1 Miles of shoreline
1542.45 Acres
27.4 square miles of Drainage Area
Dam: 715.52 feet above sea level
Deepest Point: 686 feet above sea level
Full Pool Depth: 29 feet

About This Map:

Data was collected and compiled by the City of Greensboro's Water Resources Department, Parks and Recreation Department, Engineering Department and Geographic Information Systems Division. Contouring was done by the project's Special Data Consultants, Inc. of High Point, NC, 1989-1999. Layout by the G.I.S. Division. Sources for the compilation of this map are Aerial Photography, USGS, and Engineering Methods.

What's a Scratch Sheet?

A few years back, big regattas started posting scratch sheets on the internet to drum up interest and promote participation. As there is typically no cost to signing up, Scratch Sheets give a good indication of who is thinking about going to an event. It helps the organizers plan and prepare for the event. LTYC has set up a Scratch Sheet in Google documents for its events. If you expect to be at some of our upcoming events, take a few moments to step through the different Scratch Sheets and let us know to expect you. Don't worry about last minute change of plans, Scratch Sheets are only an indication of your intentions. If you need crew, want to crew, would like to help with the social, or have some other creative idea, just list it in the Scratch Sheet. The Scratch Sheet is available from the home page or the LTYC Website.

SAILBOATS FOR SAIL

El Toro Sailboat w/ Trailer - \$900. Dingy style sailboat great for young person. My son is now 6'2" and cannot fit in the boat. Entire bottom fiber glassed due to aging wood. Does need sanding and painting however boat is in great shape otherwise. Comes with 2 wooden masts, rudder, centerboard, sails, rigging, and flotation. Trailer was especially designed to transport this sailboat. wkawilliams@juno.com. (518)339-0431.

Buccaneer 18' for sale. Craig Huey 303-884-4682 chueygman@yahoo.com Asking price is \$1325 with trailer, paddle, 2 hp Johnson outboard, and manuals, rigging guides.

Great Scot for Sale. Near minimum weight, new mast and centerboard. 2011 suite of MAD main and jib that have been sailed sparingly plus a suite of North's and 3 spinnakers, tapered spinnaker pole. Low aluminum trailer and North trailering/mooring cover that comes down to the waterline has been used only when traveling. Race ready Scot \$10,500; excellent price with upgrades and extras. Dave "Sailordave" Batchelor, 919-467-3512 Home 919-414-6809 cell

Catalina 22 sailboat w/Trailer. "Lazy Days" hasn't been in the water since 2008 but has been "fully covered" except when washed, and is still the cleanest boat around!! Wayne was meticulous with maintenance and also added lots of extras and upgrades. The bottom was redone in 2006, swing keel pulled and checked, new trailer boards and covers, new lifelines, mailsail refurbished, LED lights installed, Pop Top power lift installed (vinyl surround is like new), new hatch and teak rails, new interior lights, and other stuff, etc, etc. The trailer is great and Wayne replaced the lights and installed bearing buddies. The family hates to let it go but simply does not have time to use it anymore. If interested, please contact Peggy Jones at peggy.t.jones@earthlink.net or call 336-697-9387.

1969 Douglas and McCloud - Hull number 509. This original Highlander classic w/complete restoration is in mint condition. Trailer sanded and painted white w/red fenders; new tires and wheels. Aluminum mast, mahogany boom and rudder. Ship set includes 3 main sails, 2 jibs, 1 spinnaker, plus all rigging for racing. Boat hull and deck have 2 coats marine primer and 3 coats marine paint. Hull is the original black with red water stripe, deck is semi-gloss white. All deck rails and rub rails have been sanded and varnished. Teak seats and interior running teak have been sanded and teak oiled. Inside is the original gray and white splatter paint. W/sailors tailor-skirted mooring cover. *The Black Pearl* is in a Greensboro garage on trailer ready to go for \$4,500. David J. Schlosser, Sr., djschlosser@aol.com or (336) 316-0804.

Buccaneer 18' - I am selling my 1980 Chrysler BumbleBee model. It has new North Sails worth \$1700, and Schaefer and Harken fittings. The galvanized Cox trailer is in very good condition. There are also a good set of working sails; the original Bumble black and yellow sails, and a new 60% size main, which is outstanding for single-hand sailing. There is no spinnaker. I am selling for \$3000 OBO. Chris Munson, 703-895-8006 or kayschrism2008@verizon.net.

Very nice Flying Scot # 4004 with excellent trailer. Hull is in excellent condition with green hull stripe. Some minor repair under front deck needed (little delamination), will probably be fixed this weekend. Boat is a 1984 and rigged as such. Was seen at the last race Saturday. If you want a Scot-this is a good one. Have \$4600 in it and am asking that much to recoup my cost. Come on people, let's grow the fleet. You can waste a whole sailing season looking for the "right" boat, when a good one is right under your nose!! - Tom Bews 540-588-5794
