In the July issue ...

Ken Butler's name should have been on the *Let's Go Sailing* listing of volunteers. Apologies for the omission!

I also spelled Lacy Joyce's name wrong. Sorry about that!

What's a Scratch Sheet?

A few years back, big regattas started posting scratch sheets on the internet to drum up interest and promote participation. As there is typically no cost to signing up, Scratch Sheets give a good indication of who is thinking about going to an event. It helps the organizers plan and prepare for the event. LTYC has set up a Scratch Sheet in Google documents for its events. If you expect to be at some of our upcoming events, take a few moments to step through the different Scratch Sheets and let us know to expect you. Don't worry about last minute change of plans, Scratch Sheets are only an indication of your intentions. If you need crew, want to crew, would like to help with the social, or have some other creative idea, just list it in the Scratch Sheet. The Scratch Sheet is available from the home page or the LTYC Website.

THE FEATHER

Rain! More rain! What! Another storm! Lake Townsend is so full you practically walk UP the ramp to the docks.

Fortunately, our activities weekends have not been rained out (touch wood). While Tom Bews, myself, Starling Gunn, Lacy Joyce, Wendell and Alex Gundlach, and Steve Morris were at the Flying Scot North American Championship at Lake Norman, Eleven LTYC members brought their boats to the lake for our July Season Series. Hudson Barker was PRO and reported good winds, good racing, good social and a FUN time had by all. The week at the FS-NAC was fraught with light winds and days of no wind/no racing. All the LTYC folks set up our tents on the point on the North side of the club. That area of LNYC has now been renamed Point Townsend. (Well, at least that's what we call it)

"Atta Girl" goes out to Holly Deuterma for skippering in the Youth Regatta at the FS-NAC. Steve was doing his best to be a good crew.

Sailing classes have been going well this summer. The last Adult class finished up on Aug 6 and the last Junior class is the week of Aug 12. Thanks to all the instructors who volunteered their time and to everyone who came out to support the classes as assistant instructors. One significant change this year is that we've started having both SCAT boats on the water during classes. While this

requires additional instructors, the extra safety factor is worth the effort.

Holly Duterman & Steve Morris; Starling Gunn & Lacy Joyce, at the FS-NAC

Upcoming events:

- Aug 10-11 is our 4th Summer Series racing. Please sign up on the Scratch Sheet to help us plan for the event.
- Aug 28 (4th Saturday) is a fun sail at the lake with a pot luck social in the afternoon.
- Oct 12-13 is the 5th and final Summer Series racing for the year.
- Oct 25-27 – 2nd Annual HOT Regatta

A quick word about the HOT Regatta. This is a charity event in support of Earlier.Org, a local Greensboro organization whose mission is to find an early detection for breast cancer. Last year we raised over \$6,000. Start thinking about how you can help with this event. What can you donate to the Silent Auction or the Raffle? Who can you get to pledge to sponsor this event?

No sponsorship donation is too small. There will be special prizes for the member who collects the most sponsors and for the member who brings in the most money. Your support is greatly appreciated.

Stay Dry!

I look forward to seeing y'all On The Townsend,

Alan Taylor, LTYC Commodore

LTYC and USPS Joint Event September 28, 2013

STEP RIGHT UP!

The Board will be preparing the slate of 2014 Board nominations for membership vote at the annual meeting in November. As a volunteer club, all our activities are the results of each individual club member's efforts. The board simply oversees those efforts; sets and keeps the various programs on schedule, funnels the communications out to the membership, etc.

Let Joleen Rasmussen (Membership Chair) or Alan Taylor (Commodore) know if you are interested in learning more about the board activities and perhaps getting involved. It is surprisingly easy to do, rewarding, and a great way to support the sport and the wonderful service LTYC provides our community.

And certainly, if you know of a club member who you'd like to see on the board, nominations are very welcomed and appreciated.

Call People. Go Sailing

In an effort to involve more sailors in the Club's Sailing Events and Racing Programs, this "Available to Crew" list is published in each newsletter. If you have a boat and would like to participate in the Summer or Frostbite Race Series, call one of these folks for your crew. Alternatively, if you need a cruising partner on your boat or would like to team with someone on one of the city sailboats for a day sail or a race, contact someone on this list. If you are interested in crewing and would like to add your name to the list, please let Joleen know. Joleen has the best intentions of calling each new member if she doesn't hear from them to encourage them to sign up on the Crew or Race Committee List. (See the Help Lines located in this newsletter).
