In addition to bragging rights and your name on the May's Cup trophy, the winners will also be presented with a keepsake award - a stained glass work by Nancy Collins! Sign up at the spreadsheet online today.

## What's a Scratch Sheet?

Scratch Sheets give a good indication of who is thinking about going to an event. It helps the organizers plan and prepare for the event. LTYC has set up a Scratch Sheet in Google documents for its events. If you expect to be at some of our upcoming events, take a few moments to step through the different Scratch Sheets and let us know to expect you. Don't worry about last minute change of plans, Scratch Sheets are only an indication of your intentions. If you need crew, want to crew, would like to help with the social, or have some other creative idea, just list it in the Scratch Sheet, available from the home page or the LTYC Website. **Posting regrets is encouraged as it helps in planning, especially for the larger events.**

# APRIL POWERBOATING SESSION

*Photos by Steve Raper*

The photo is of prospective club members Corey and Amy Welker sailing their Club 420 at Lake Townsend. We've been talking by email recently and they came up on Saturday to check out the lake. I spent a nice afternoon with them and they liked the lake so much they left their 420 there and came back from Danbury on Sunday along with some other family and also brought their kayak.

Sunday was a moderate air day at best. The pattern all day was that the wind would fill in for a while and then go slack. Wendell and Anne Gundlach were out on their Flying Scot, Corey and Amy on their 420, newly graduated sailing class student Matthew Stalnaker sailed a Pico for the first time and I was on my Flying Scot. Lacy Joyce dropped by just in time to help me get my boat back on the trailer. Another great day on Lake Townsend!

*Steve Raper*

# THE FEATHER

Big High Fives to Trish and all of the 28 club members who came out with their boats and their shore support to make the 2014 edition of Let's Go Sailing a huge success. We had 13 sailboats on the water the entire time, docking only long enough to take on new passengers. All in all we introduced 83 people to sailing. As far as I could tell, based on all the smiles – everyone had FUN!

We held our first Adult Learn To Sail weeks in early May. Both classes had 10 students, all of whom did great. Some have already joined the club. Keep an eye out for new faces and take them out as crew.

We used our new fleet of Tanzers for the classes. This made a significant difference in the last half of the classes. Lacy Joyce has stepped up to bring the Tanzer fleet up to prime condition. There's enough small stuff on each boat to keep several people busy. If you have rigging experience or if you'd like to learn more about rigging, contact Lacy.

Mayor's Cup is June 7-8 followed by the Governor's Cup at Kerr Lake on June 14-15. Both are excellent regattas. I'll be learning to sail an Isotope at both events. Someone

recently accused me of going over to the dark side. I prefer to think of it as expanding my horizons.

Right after the Mayor's Cup we have our first Intermediate Sailing class. Tanzers with jibs will be the order of the day. If you have some time after work, assistants are always welcome and appreciated. We've found that 4 – 5 instructors is optimal.

Junior Sailing Classes start June 16, followed by a second week of classes June 23. Instructors are needed for both weeks. If you know of any kids 10-15 years old, let them know about the classes.

If you have an experience in publicity, we would appreciate any suggestions on how to publicize the classes.

Remember that June 28 is a "sail-about" day at the lake. This is an opportunity to swap boats or swap crew or both. Take a new sailor out and maybe build your fleet.

See y'all On The Townsend,

*Alan Taylor*  
LTYC Commodore

## LET'S GO SAILING MAY 31, 2014

What an awesome club we have! So many volunteers showed up and made everything run so smoothly, it was a pleasure to work with everyone. We also had a great day weather-wise with lots of sunshine and perfect breezes.

We had 28 volunteers, 13 sailboats and 83 people who went sailing, most of them for the first time. You should have seen the smiles as they got off the boats after sailing.

Several kids had fun coloring sailboat pictures and the knot-tying booth stayed busy all day with Linda Heffernan and Peter Dahl as the enthusiastic instructors.

Our first attempt to use a hot dog vendor: Jersey's Best Hotdogs, was fantastic. Their food was excellent and they were very professional.

Thanks to all the volunteers who helped make this a big success (in no particular order):

JC Aller, David Duff (the early bird), Scott Bogue, Alan Taylor, Kathy Holland, Tom Bews (the duck pooper scooper), Ken Warren, Steve Morris, Holly Deuterma, Jeanne Allamby, Phil Leonard, AnnMarie Covington, Donna Jarzyna, Tad Jarzyna, Nancy Collins, Uwe Heine, John Hemphill, Lacy Joyce, Ken Butler, Andy Forman (from CSC and the best point person), John Kuzmier, Jim Irvin, Linda Heffernan (knot-tyer extraordinaire!), Peter Dahl (Power Squadron), Phil Andrews, Steve Raper, Bill Bird, and Hudson Barker.

*-Trish McDermott*

Great success thanks to Trish! JC and Andy gave huge assist at the docks where the wind there was all over the place when leaving and returning. Kudos to the onshore helpers like Linda and everyone else as well.

Glad to see so many boats out to provide rides. I had a blast and was lucky to have one of Hudson's sailing students, Kate, and her mother onboard first so it was an opportunity for training. They had so much fun Kate called her father and brother to come out and they sailed with me as well. I put Dad on the helm and brother on the jib and in no time at all they were keeping it in the groove and nailing the tacks.

The hot-dog truck was a big success. That is just one of a number of new and fresh ideas that Trisha and Scott have brought to the club since they joined.

## LACY JOYCE CAUGHT A TORNADO ... ON VIDEO

Lacy Joyce “got to see a tornado form, just across the river.” Shot from the hatchway of Bill Byrd’s boat, in Washington, Beaufort County, NC. Lacy said, “I wasn’t leaving the boat, had to stay dry ... and there were hailstones falling around us the size of golf balls.”

## CLUB BOATS - RULES OF USE

Flying Scot 3410 is owned and maintained by the Lake Townsend Yacht Club. The Wayfarer is owned by the Wayfarer Sailing Association. It is maintained by the Lake Townsend Yacht Club with financial reimbursement from WSA. These boats are intended to be used for Sailing Instruction, Training and Mentoring.

- These boats can be used by LTYC Lead Instructors while giving lessons
- Assistant Instructors may use the boats for lessons with approval from the board or a Lead Instructor
- Qualifying lessons include:
  - Private lessons as prescribed by the LTYC Learn To Sail program.
  - Follow-up lessons for students of previous LTS classes that have joined LTYC as members
  - Mentoring for all LTYC Members
  - On course racing coaching for all LTYC Members

Additionally, any LTYC Club member who is on the specific boat Maintenance Team has Right of Use.

Unless being used during a club event, the sailors need to register with the Office. Launching fee polices are also in effect. Please direct any questions or feedback to

[ltycboard@laketownsendyachtclub.com](mailto:ltycboard@laketownsendyachtclub.com). Reserve a boat online:

# Call People. Go Sailing

In an effort to involve more sailors in the Club's Sailing Events and Racing Programs, this "Available to Crew" list is published in each newsletter. If you have a boat and would like to participate in the Summer or Frostbite Race Series, call one of these folks for your crew. Alternatively, if you need a cruising partner on your boat or would like to team with someone on one of the city sailboats for a day sail or a race, contact someone on this list. If you are interested in crewing and would like to add your name to the list, please let Joleen know. Joleen has the best intentions of calling each new member if she doesn't hear from them to encourage them to sign up on the Crew or Race Committee List. (See the Help Lines below).
