## What's a Scratch Sheet?

Scratch Sheets give a good indication of who is thinking about going to an event. It helps the organizers plan and prepare for the event. LTYC has set up a Scratch Sheet in Google documents for its events. If you expect to be at some of our upcoming events, take a few moments to step through the different Scratch Sheets and let us know to expect you. Don't worry about last minute change of plans, Scratch Sheets are only an indication of your intentions. If you need crew, want to crew, would like to help with the social, or have some other creative idea, just list it in the Scratch Sheet, available from the home page or the LTYC Website. **Posting regrets is encouraged as it helps in planning, especially for the larger events.**

# THE FEATHER

It is once again time for the annual Lake Townsend Change Of Watch Awards Banquet. Also known as COW. The date has changed from the original announcement. See details elsewhere in this newsletter (page 9).

The COW is a time to celebrate all the successes of 2014. There will be awards for racing, as well as many thank you awards for those of you that help keep the club going by doing all the great things you do. So come on out and enjoy the camaraderie of your fellow sailors and some good food as well.

As the colder weather is upon us, racing at Lake Townsend is dropping back to the once a month winter series. The first race of the winter season is this Saturday, December 13. Sign up now on the Scratch Sheet to sail or help out with RC and Social activities. The weather forecast looks to be an excellent day.

While on the topic of racing, congratulations to our club members who went to Oak Hollow in November to

once again win the interclub challenge.

One of the most important aspects of the COW is the actual passing of the helm to the new Commodore and Board of Directors. I've watched the club grow in some impressive ways. We have expanded our Sailing Classes and acquired a fleet of boats for lessons and members use. We have implemented a Social-Sail day on the 4th Saturday during the summer months to provide non-race activities to our non-racing members and provide an opportunity for new graduates of the Sailing Classes to expand their skills. We have now hosted 3 HOT Charity events, raising more money each year for Earlier.Org. 2015 will be even better.

It has been a pleasure serving as your Commodore these past 2 years.

See y'all On The Townsend,  
Alan Taylor  
LTYC Commodore

# NOVEMBER INTERCLUB

The 2014 Annual Interclub Regatta between Lake Townsend Yacht Club (LTYC) and Oak Hollow Sailing Club (OHSC) was hosted by OHSC on November 8, 2014. Twenty-two boats participated on a beautiful day under winds ranging from 5 to 15 mph during the three races. Thank you to all who supported the event. Special thanks to Carrie Clemmer for setting up our morning refreshments, and to all who brought dishes for post-race. Also, thank you to Art Martz and Les Eger for assisting on Race Committee.

After spotty winds during the first race, we were able to complete three races with better sustained winds during the second and third races. Congratulations to Lake Townsend for sweeping all three races with their very consistent sailing

by their six representing boats! LTYC holds on to the Neill Benson Trophy for another year! Handicap scoring and full race results are attached for your review. Congratulations on the following top three individual sailing results:

Phil Andrews, OHSC, with three first place finishes for 3 points. Tom Bews, LTYC, with 11 points (a 2nd, a 4th, and a 5th) Ann Marie Covington, LTYC, with 13 points (two 3rds and a 7th) John Hemphill, LTYC, with 13 points (a 2nd, a 3rd, and an 8th)

We look forward to the 2015 event at Lake Townsend next year!

Sincerely,

*Paul Walter, 2014 Commodore*

*on behalf of Oak Hollow Sailing Club*

## LTYC at the BOAT SHOW

**February 27 - March 1, 2015**  
Greensboro Coliseum - Greensboro, NC

We will have a space at the Greensboro boat show February 27 - March 1, 2015. Volunteers are needed to staff the show as well as for setup and tear down. Please send an email to Bob at [bobh9447@aol.com](mailto:bobh9447@aol.com) if interested.

# RIGHT OF WAY

I often wish that the Racing Rules of Sailing did not use the term “right-of-way”. Sailors frequently take it to mean that a boat has the right to do whatever she pleases, or, that no matter what else happens, she is “in the right”. How many times have you heard a skipper claim “I have rights”?

Unfortunately, that isn’t what right-of-way means. The preamble to Part 2 Section A (Right of Way) states “A boat has right of way over another boat when the other boat is required to keep clear of her”. That’s all. “Right-of-way” is a shorthand expression meaning that the other boat must keep clear, nothing more. It does not imply any special privileges nor does it abrogate a boat’s other responsibilities. The preamble goes on to say “However, some rules in Sections B, C, and D limit the actions of a right-of-way boat”. Whenever two boats meet, there are requirements laid on both of them.

Instead of reading the rules as granting “rights”, think of them as imposing “obligations”. Rules in Section A (10 “On Opposite Tacks”, 11 “On the Same Tack, Overlapped”, 12 “On the Same Tack, Not Overlapped”, and 13 “While Tacking”) impose the obligation to keep clear. Rules in Sections B, C, and D place additional obligations -- some on one boat, some on the other, and some on both.

Rule 14 “Avoiding Contact”, for example, requires a boat to “avoid contact with another boat if reasonably

possible”. When two boats meet, both share that obligation.

Rules 15 “Acquiring Right of Way” and 16 “Changing Course” place an obligation on the right-of-way boat. They detail the circumstances when she must give the other boat room to keep clear.

Rule 17 “On the Same Tack; Proper Course” restricts a leeward boat from sailing above her proper course.

Rules 18 “Mark Room”, 19 “Room to Pass an Obstruction”, and 20 “Room to Tack at an Obstruction” detail the room one boat (and it could be either) must give another at a mark or obstruction.

I don’t mean to provide a complete enumeration of a boat’s obligations under the rules. The rule book is full of things a boat must do and things a boat must not do (rule 1.1 requires a boat to give all possible aid to any person or vessel in danger; rule 28 requires a boat to sail the course; rule 31 requires a boat to not touch a mark; etc.). In an encounter on the water, it’s entirely possible for the give-way boat, the right-of-way boat, or both boats to meet, or fail to meet the requirements of the rules.

So, realize that “right-of-way” does not give a boat complete freedom. Don’t get caught up with a boat’s “rights”. Focus on a boat’s obligations instead.

Fair Sailing,  
Eric Rasmussen

# CALL PEOPLE. GO SAILING

In an effort to involve more sailors in the Club's Sailing Events and Racing Programs, this "Available to Crew" list is published in each newsletter. If you have a boat and would like to participate in the Summer or Frostbite Race Series, call one of these folks for your crew. Alternatively, if you need a cruising partner on your boat or would like to team with someone on one of the city sailboats for a day sail or a race, contact someone on this list. If you are interested in crewing and would like to add your name to the list, please let Joleen know. Joleen has the best intentions of calling each new member if she doesn't hear from them to encourage them to sign up on the Crew or Race Committee List. (See the Help Lines below).
